RULES AND REGULATIONS

All guests must comply with the campsite's rules and regulations. These are displayed at reception and included with your booking. Failure to comply with the rules may result in expulsion from the campsite without any refund for your stay.

Campsite rules:

- **The campsite gate** is open from 8.00 am to 10.30 pm. If you need to arrive after 10.30 pm or leave in the morning before 8.00 am, please remember to leave your vehicle in the car park in front of reception.

- **Traffic:** The speed limit for vehicles is 10 km/h and vehicles are not permitted on the campsite between 10.30 pm and 8.00 am (motorbikes are not subject to any specific restrictions). All guests on the campsite must behave responsibly. **To ensure the peace and safety of campers, access to the campsite is restricted to holidaymakers in possession of an electronic badge issued on arrival.**

A charge of €20 will apply if the badge is lost or not returned.

- Due to the campsite's proximity to neighbouring properties, we are obliged to limit noise disturbance.

A local by-law requires us to switch off lights and turn down the volume by 11.00 pm.

- **Your Visitors**: To maintain peace and quiet on the campsite, your friends may only visit you on foot between 8.30 am and 10.30 pm. **Visitors must report to reception to present a form of identification and pay the applicable fee**. They will then be granted access to the outdoor car park in front of reception.

Access to the swimming pool is strictly prohibited for safety and insurance reasons.

- **The unheated swimming pool and paddling** pool are open from 10.00 to 20.00 from mid-May to mid-September, weather permitting, **for campsite guests ONLY.**

-Swimwear is COMPULSORY at the swimming pool; Bermuda shorts, shorts, skirts and swim dresses are PROHIBITED for reasons of hygiene, safety and sensible water conservation. No exceptions will be made within the pool area. We are subject to the same legal and regulatory obligations as a swimming pool open to the general public.

-The paddling pool is reserved for children aged 2 to 10 under the supervision and responsibility of their parents or accompanying adults.

The management accepts no liability in the event of an accident.

-Eating, drinking and smoking are prohibited at the poolside. A sunbathing area with sun loungers and a bin are available just above the pool for this purpose.

-Please remove your shoes and take a shower before entering the pool area at the footbath in the centre.

-Reserving sun loungers is prohibited; the management reserves the right to remove towels in the event of prolonged absence.

Minors, even if they can swim, must be accompanied by a responsible adult.

- **Your neighbours**: Sound-producing equipment must not be audible beyond the boundaries of each pitch. From 10.30 pm, everyone must respect their neighbours' right to a quiet night's sleep.

We naturally ask you to respect all people, facilities and plants on the site. A minimum level of quiet is required so as not to disturb your neighbours.

- **Open-flame barbecues are prohibited on the campsite; only electric barbecues are permitted, provided they do not exceed 1,500 watts** (as higher power ratings are not compatible with the amperage of the meters and will invariably trip the campsite's circuit breaker).

A communal charcoal barbecue is available next to the boules court.

For safety reasons, please douse the embers after use and leave the area clean.

- **Fire safety** is a matter of the utmost importance in a region such as ours; **please do not stub out cigarette ends on the ground.** Ashtrays are available in your holiday accommodation, at the bar, on the boules court, at reception, at the bottom of the metal staircase and near the swimming pool.

- **Charging electric cars is strictly prohibited** on pitches and in mobile homes: ELECTRICAL HAZARD. A charging point is available 24 hours a day 1.5 km from the campsite in the village.

- **Air conditioning** must not be used contrary to common sense; it should be set to a maximum of 10 degrees lower than the outside temperature, with doors and windows closed. We reserve the right to enter the accommodation if the air conditioning is running whilst no one is present.

- **Television:** not all our accommodation units are fitted with an aerial capable of receiving a TV signal. It is essential to specify this at the time of booking if you wish to have one, at a rental cost of €7 per day.

- **Internet:** the use of private internet routers is prohibited throughout the campsite. A Wi-Fi password is available at reception on request.

- **Pets:** only dogs are permitted, with the exception of Category 1 and 2 dogs **(and only one per holiday rental).** They must be registered at reception, kept on a lead at all times and must not be left alone on the campsite (on pitches or in holiday rentals). Poop bags are available free of charge at reception on request. Should you arrive with two or more dogs or any other animal, the management reserves the right to refuse you entry without any financial compensation.

Pets of any kind are prohibited in the gîte.

- **The sports pitches and fitness equipment** are available free of charge (balls, rackets and Velcro game accessories can be borrowed on request). The management accepts no liability in the event of an accident.

- **The children's play area** is reserved for children aged 2 to 10 and is unsupervised; the bouncy castle (only when the mistral is not blowing) is reserved for children aged 6 to 12.

Children may use these facilities under the full responsibility and supervision of their parents or accompanying adults.

- **Toilets:**

Children are not permitted to play in the toilets; water is a precious resource – please do not waste it.

- Toilets: it is strictly FORBIDDEN to flush the following down the toilet: wet wipes, sanitary towels, nappies, cotton wool and food…

This rule is important for everyone's comfort and applies to the private toilet facilities in all holiday rentals, as well as to the communal toilet facilities.

Such inconsiderate behaviour hinders the proper functioning of the sewage system.

Please leave this area as clean as you would have liked to find it on arrival.

- **Recycling:** bin bins located opposite the main toilet blocks near reception are available for cardboard, glass and other household waste in sealed bags.

PLEASE use them correctly.

- **Washing machine.** The management accepts no liability for theft or damage whilst the equipment is in use
